

LaserShip Local

LaserShip Local Overnight – Closer Deliveries Should Cost Less

Over 80% of overnight shipments have delivery points less than 20 miles away. If you ship overnight locally, LaserShip's Local overnight service is perfect for you.

LaserShip Local overnight service provides a low delivery rate for all local overnight shipments. This concentrated delivery zone saves our customers an average of 30% on their overnight shipments.

Shouldn't overnight delivery across town cost less than your overnight delivery 150 miles away?

LaserShip's Local Overnight Saves

- Standard Overnight by 3:00PM
- Priority Overnight by 10:30AM
- No Residential Delivery Surcharge
- Reduced Fuel Surcharge
- Gain more control of your shipments
- Customers enjoy savings up to 60% on their local overnight deliveries

LaserShip Local Factoid

Overnight Shipping Companies fly your local area packages to an out-of-state sort facility, only to fly them back for the next day's delivery.

Sounds expensive.

LaserShip keeps your local shipments...local, and we pass the savings to you.
